Białystok - Białowieża, 18-20 October 2021

	<p>- guidelines for writing articles along with other documents can be found on the Builder website: (https://builderscience.pl/resources/html/cms/EDITORIAL_OFFICE)</p>		
6	<p>Scientific Review Engineering and Environmental Sciences</p>	<p>SJR=0.194</p>	<p>Information for Authors is available on the website: http://iks_pn.sggw.pl</p>
	<p>Publishing only in English. Maximum 15 articles will be published (5 articles in 3 subsequent issues starting from September 2021). Ultimately, the date of publication depends on the receipt of the complete set of documents: article after reviews, authors' corrections after review, statement, all reviews, data for invoice). Please read the guidelines at http://iks.pn.sggw.pl/index.html</p> <p>Reviews are made by the Scientific Committee of the conference, ON THE JOURNAL'S FORMS (they are on the website), as required (double-blind, at least one independent reviewer, at least one from abroad, etc.). The set of materials for a given article must be submitted to the editorial office at latest two months (preferably two and a half) before the end of the quarter in which the article is to be published. Otherwise, the article is absolutely postponed until later.</p> <p>The editorial office reserves the right to pre-qualify articles after sending short applications, even before the reviews. Review articles without own research are not accepted.</p> <p>Authors of articles qualified for publication are required to pay a fee of PLN 800+23% VAT (PLN 984 gross) or EUR 250 for a black and white text of up to 10 pages in accordance with the layout given in Information for Authors, containing all the required elements: summaries, tables, drawings, etc. In the case of submitting a text with a larger volume (but no more than 13 pages), an additional fee will be added in the amount of PLN 50+23% VAT or EUR 15 for each additional page.</p>		
7	<p>Acta Scientiarum Polonorum seria Architectura (Acta)</p>	<p>Index Copernicus (ICV 2019: 83.6), scientific quarterly</p>	<p>Information for Authors is available on the website: http://www.architectura.actapol.net/</p>
	<p>Publishing only in English. Possibility to publish 10 conference articles. The editorial office accepts high-quality reviews prepared by a wide range of reviewers (reviews made in the double-blind system on the journal's forms). If possible, they should be also reviewers with foreign affiliation. There should be at least one reviewer with a postdoctoral degree for each article. Papers should be sent to the editorial office by the end of May 2021 (although it is best to send them gradually earlier).</p>

Białystok - Białowieża, 18-20 October 2021

	<p>The cost of publishing an article up to 12 A4 pages prepared according to the template is PLN 600+VAT. If the work exceeds the given volume, the cost of each additional page is PLN 60+VAT. The works published on-line are of course colored (according to the version sent), while in print they are in shades of gray. At the request of the author, it is possible to print in color, but it involves an additional fee calculated by the publishing house.</p>		
8	Civil and Environmental Engineering Reports		<p>Information for Authors is available on the website: https://ceer.com.pl/resources/html/cms/MAINPAGE</p>
	<p>Publishing only in English. Possibility to publish 15 articles. The following issues will be published: 30/06/21, 30/09/21, 31/12/21. The deadline for submitting the article is approximately two months before the date of publication. Authors submit articles through the journal system. The editorial board submits articles for review (scientific committee) and processes the article until printing. The editorial office does not charge for publishing the article.</p>		
9	Przegląd Budowlany	scientific and trade monthly	<p>Information for Authors is available on the website:https://www.przegladbudowlany.pl/</p>
	<p>Publishing in Polish or English. It takes about 2 months to issue an opinion and qualify an article for publication. The editorial office does not charge for publishing the article.</p>		

ATTENTION

The condition for the publication of the article (after receiving positive reviews) in the above-mentioned scored journals (**Energies, Archives of Civil Engineering (ACE), Sustainability and Applied Sciences**), is the payment of the Conference fee by at least one of its Authors.

We also remind you that articles submitted to the above-mentioned journals cannot duplicate the content presented during the Conference. Therefore, articles should be accepted for publication before the Conference starts. During the Conference, an abbreviation of the published/accepted for publication article will be presented.
